Authors will be notified of the decision before **Friday, 3 March 2023**.

● Cyprus

Cyprus lies in the Eastern Mediterranean at the crossroads between Europe, Africa and Asia and is an island of extreme natural beauty with a long and rich heritage. The climate is balmy and sunny and the coastline is scattered with attractive beaches and crystalline bays. The conference will take place in Larnaka that is Cyprus' oldest soul with a history that dates back 10,000 years, making it the longest continually inhabited region of the island. And with its status as the most centrally positioned city, Larnaka also offers easy access to the island's other regions, making it the ideal destination for a Cyprus holiday or a business visit. From stretches of varied coastline, a mix of traditional and cosmopolitan establishments and fascinating historical monuments, Larnaka seamlessly blends its two 'faces'.
