

CALL FOR PAPERS

Submissions are invited in all areas of finance and accounting

SUBMISSION OPENS
November 1, 2026

SUBMISSION DEADLINE
January 15, 2027

NOTIFICATION OF DECISION
February 22, 2027

FMARC 2027 invites the submission of theoretical or empirical research papers for presentation at the conference. Submissions will be reviewed by members of the Scientific Committee.

The conference will be held in person only and operates under a one-presenter, one-paper rule; presenting authors are also expected to serve as a discussant for another paper. The program is structured to allow ample time for discussion and interaction among participants.

CONFERENCE HIGHLIGHTS

DOCTORAL COLLOQUIUM AND MENTORING

June 5, 2027

A day **dedicated to doctoral students and the mentors**, held before the main conference. Students present their work to leading academics in finance and accounting and receive detailed feedback and career advice.

Doctoral students with work in progress can present a poster during the main conference.

PLENARY PANEL

Households, Financial Markets & the Economy

A moderated conversation with four guest speakers:

Francisco Gomes (London Business School)

Michael Haliassos (Goethe University Frankfurt)

Alexander Michaelides (Imperial College London)

Olivia S. Mitchell (University of Pennsylvania)

BEST PAPER AWARDS

Four award categories

Presented on the recommendation of the Scientific Committee and Conference Chairs: **Conference Best Paper**, **Best Paper in Finance**, **Best Paper in Accounting**, and **Best Doctoral Paper**.
